1. In accordance with the duty of disclosure under 37 C.F.R. § 1.56 and in conformance with the procedures of 37 C.F.R. §§ 1.97 and 1.98 and M.P.E.P. § 609, attorneys for Applicant hereby bring the attached references to the attention of the Examiner. These references are listed on the attached modified PTO Form No. 1449. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.
2. It is believed that no fees are due in connection with this Information Disclosure Statement. However, should any fees be due, the Commissioner is authorized to charge Deposit Account No. 11-0600 for such fees. A duplicate copy of this communication is enclosed for charging purposes.
3. We wish to bring the following related applications to the Examiner's attention:

USSN 136,166 filed	August 19, 1998
USSN 136,377 filed	August 19, 1998

Ms. Royall:

Further to our telephone conversation of Thursday, May 20, 1999, attached please find a copy of the Petition to Make Special Under 37 CFR 1.102 which was filed in the above referenced application on November 19, 1998 together with an Information Disclosure Statement. A copy of the postcard date stamped November 23, 1998 which was received from the Patent Office is also enclosed.

Please make sure that these papers get placed in the corresponding file so that a Decision can be made on the pending Petition.

Thank you for your assistance. If you have any questions, please feel free to contact me at 212-908-6467.

Tracy L. Anderson
